

UNCLE SAYS IT GOT SQUARE DEAL

Has Been Treated Fair by
Newspapers and Will Allow
Reporters to Attend Commit-
tee Meetings.

Arthur L. Miller was elected president of the city council for the ensuing year last night taking the place of H. F. Lang as the chief executive of that body while Andrew S. Seifert was selected as vice president.

Immediately following the council meeting the committee of the whole went into session and the first act of that body in 1915 was to pass a resolution permitting reporters and the public if it wishes to attend its meetings during the present year.

Councilman Lang made the motion for the new ruling which has been under discussion since the new administration went into office a year ago.

"We, the city council, have been given a square deal by the newspapers of South Bend during the past year and they have shown that they are willing to treat us right," said Councilman Lang in making the motion. "Therefore I think that the reporters should be permitted to attend these meetings. Of course this committee shall reserve the right to go into executive session if an occasion demanding it should arise."

Councilman Seifert also made a short talk in which he commended the press for what he termed its "square deal" attitude and urged that the reporters be permitted to attend the meetings. The motion was passed by an unanimous vote.

With the exception of the election of new officers no business was conducted by the council. Councilmen Miller, Jere T. Hagerty and M. A. Buechner were nominated to the presidency. The successful nominee received 10 votes, Councilman Hagerty none and Councilman Buechner four.

Several members of the local barbers' union appeared before the committee of the whole to discuss the proposed barber shop sanitation ordinance. It was stated by the barbers that many towns in the state are passing laws making it mandatory that utensils used in barber shops be kept in a sanitary condition. The proposed ordinance also makes it prohibitory for barber shops to remain open on Sunday. Upon the motion of Councilman Hagerty the proposed ordinance was referred to the secretary of the board of health for consideration. It will be brought up again at the next meeting of the council.

WARSAW DEFENDERS REFUSE TO RETREAT

German Army Has Made no Advance
in the Past Two
Weeks.

PETROGRAD, Jan. 5.—While the Germans from behind the left bank of the Bzura are assailing the Russian position with 11-inch mortars and giant mine throwers, their greatest infantry strength is directed considerably farther south in the region of Rawa. They have made no progress near Warsaw during the past fortnight.

Gen. von Mackenzie's right wing now stretches south to the Pillau near Tomaszow. A strong force of Germans some distance below the Pillau are trying to stiffen Gen. Dankl's Austrian army which is being steadily pressed back through the forests from Kielce.

The entire campaign southward is now developing steadily, but slowly in favor of the Russian armies. The continued advance of the Russians greatly helps the main operations by entirely precluding attempts to get below the extreme left of the Russian advance.

THAW WIRES MONEY TO AID HIS FRIEND

Southern Planter Gets \$400 From
Noted Prisoner—Needed the
Cash.

KANSAS CITY, Mo., Jan. 5.—"For old times sake and a happy New Year,"

With this note attached, a message from Harry K. Thaw was received on Monday morning at the Western Union office ordering the company to pay E. H. G. Reid, of Birmingham, Ala., \$400.

Reid was waiting for the message and money. He told of how Thaw happened to be sending money across the country.

"I own a plantation in South Carolina," he said. "A number of years ago Harry Thaw came down to hunt and spent a week on my place. Hunt is a little slack down my way. Cotton won't sell and I was stranded for a little cash in Kansas City."

"I just wired Thaw and this is the

To Cure Catarrhal Deafness and Head Noises

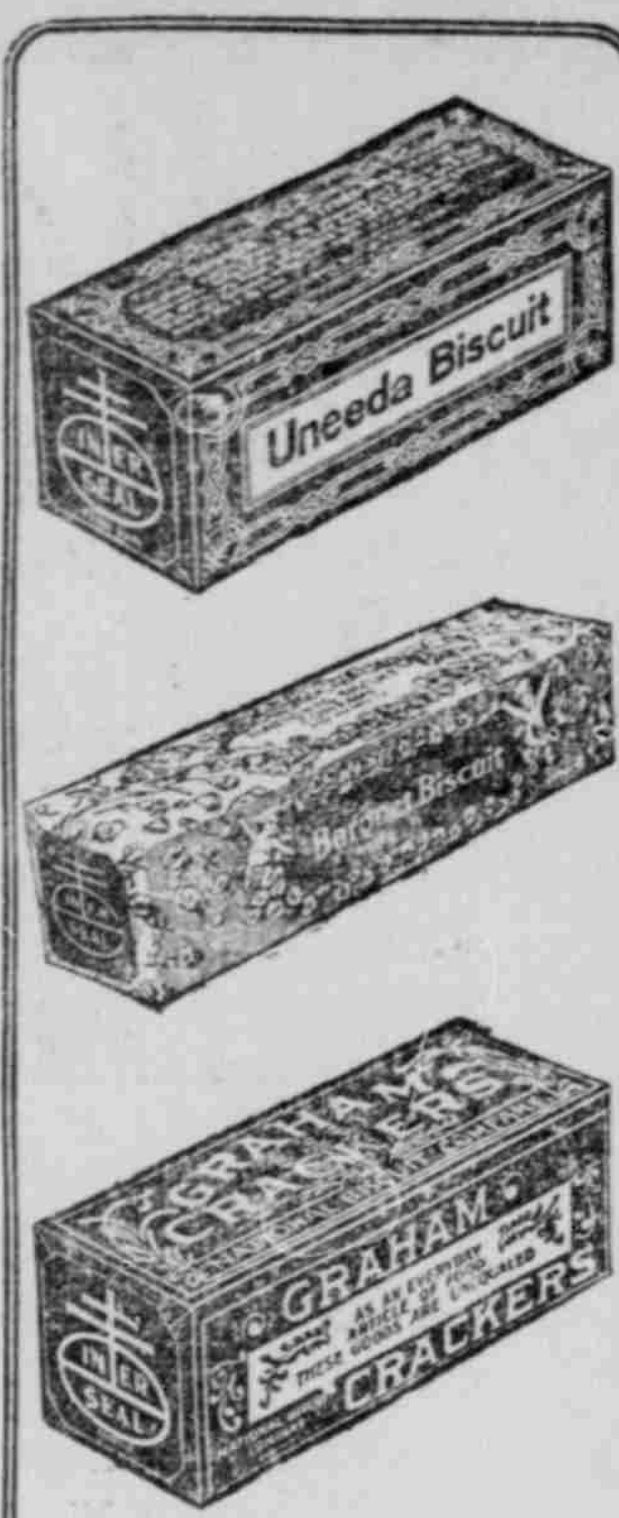

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can be successfully treated at home by an internal remedy that in many instances has effected a complete cure after all else has failed. Sufferers who cannot scarcely hear a watch tick have had their hearing restored to such an extent that the tick of a watch can be heard either seven or eight inches away from the ear.

Therefore, if you know someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand to them, and you will have less the means of saving them suffering perhaps from total deafness. The prescription can be prepared at home, and is made as follows:

Secure from your druggist 1 oz. Parmit (Double Strength), about 7c worth. Take this home, and add to it 4 qt. of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dizziness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dripping in the back of the throat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly every case of ear or all ear troubles are said to be directly caused by catarrh, therefore, there must be many people who can be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness or catarrh in any form, should give this prescription a trial.

REGISTERS GERMAN SHIP

Liner Dacia Will Fly the American
Flag in Future.

WASHINGTON, Jan. 5.—The Hamburg-American liner Dacia, recently purchased by Edward N. Breitling of Michigan, was granted American registry by the department of commerce Monday. This is the first of the German ships to get American registry. Granting the registry means that the United States holds that an American has the right to buy the "vessel of an enemy" even during war if the sale is "bonafide". An American captain and crew will be placed on board the Dacia at Port Arthur, Tex., in a few days.

PARK PROPOSITION IS UP AT MEETING

Disposition of Pottawatomie is Dis-
cussed by the County Com-
missioners.

There was much discussion before the county commissioners Monday afternoon on the question of the disposition of Pottawatomie park which it is proposed to give back to the county. A bill will be introduced in the next legislature with this end in view. Recd. George Hepler was present at the meeting of commissioners for the purpose of gaining some idea of the trend of opinion.

The bill will be introduced at the request of certain of the county citizens of the county who deem that the county is not securing the benefits that it should from the property. John A. Bordner, county agent, and Samuel Leeper spoke in favor of the bill while Mayor Keller and City Atty. Seebirt favored the claims of the city. Mr. Seebirt presided during the discussion.

Much routine business was transacted by the commissioners at the meeting which lasted all day. All of the applications for appointments which have been received were placed on file. The matter of the Esmy highway in Olive township was put over until Monday, Jan. 11.

Linden Kiefer was appointed a rider for the Protective and Detective association of Clay and Harris townships giving him all the authority of a constable in the handling of horse thieves and criminals.

John Bultinek was appointed justice of the peace for Penn township. This appointment was made possible because of the fact that only two justices were elected whereas the law provides for three.

The liquor license held by Frank Nemeth was renewed.

"The Big City Four", a quartet of clever singers and capable actors, proceed to entertain the audience with many of their selections have been heard here before, they sing them in a new way and with odd comedy bits and unique expressions give a new twist to even the old songs. Will H. Armstrong, assisted by Maude Smith and Geraldine Field, offers a talking act termed, "The Baggage Man". Mr. Armstrong carries most of the weight of the performance with his slight character and impressions while the young ladies dress well and form an interesting background to the comedian's efforts. Margaret Calvert, who is billed as "The Tanguay of the violin", proves worthy of the title on account of her excellent selections and the eccentric dancing with which she accompanies several of her numbers. Gordon brothers and their boxing kangaroo have an opening act novelty for the animal is particularly intelligent and is very amusing in his acrobatic antics. He is evidently well trained and proves quite a formidable opponent for his two boxing partners.

Bottomley troupe, five skilled aerial acrobats, perform new and daring feats of aerial casting. An amusing Keystone comedy picture is also shown.

AT THE SURPRISE.

AT THE COLONIAL.

The new Mutual program at the Colonial will show today, "The Banakie Maiden", an interesting and romantic story of foreign lands. "Phil's Vacation", a laughable comedy, will also be shown in addition to one other.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush
Kidneys if Bladder
bothers you.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known author. Sir, because the ureic acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus enabling bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

or special release from the Mutual studio.

AT THE MAJESTIC.

A new list of popular songs is making the performance of the Majestic Musical Comedy Co. particularly pleasing this week. The new farce, "Mixed Pickles", is a lively one and the songs are meeting with most popular favor including, "Baby Girl" by Phyllis Eltitis, "I've Got the Finest Man" by Chic Patterson, "Dr. Tinker" by Helen Durfor, while all the comedians have first class rollicking numbers.

AT THE LASALLE.

David Belasco's interesting drama of life in southern California and Mexico entitled, "The Rose of the Rancho", will be seen at the LaSalle today. This picture was originally a dramatic production, featuring Frances Starr, one of Mr. Belasco's popular players. The present pictured version of the play has Bessie Barriscale in the leading role of a romantic maiden of southern California. Miss Barriscale has met with great success in a number of stage ventures including a leading part in, "Mrs. Wiggs of the Cabbage Patch". In the present filmed production her dashing personality, winsome ways and ability as character actress stand her in good stead. The entire company has the stamp of the high class excellence found in all of Mr. Belasco's productions and it will be a delightful entertainment. A Sterling comedy entitled, "His Dog Gone Luck", and an educational film of travel in China will also be shown.

COMB SAGE TEA IN HAIR TO DARKEN IT

It's Grandmother's Recipe to
keep her Locks Dark,
Glossy, Trick.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair, is now being used by the hairdressers of the city. It is a simple, effective, and safe remedy, and is used by the hairdressers of the city. It is a simple, effective, and safe remedy, and is used by the hairdressers of the city.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after only a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.
